**STIPULATION**

On December 20, 2005, the Court set a briefing schedule as follows:

1. Plaintiffs to file motion for summary judgment on or before February 24, 2006;
2. Defendants to file opposition on or before March 17, 2006;
3. Plaintiffs to file reply on or before March 31, 2006; and,
4. Hearing on plaintiffs' motion set for April 7, 2006.

Plaintiffs filed a motion for summary judgment on February 24, 2006, and Defendants  
filed a cross-motion for summary judgment and an unenumerated 12(b) motion on March 17,  
2006.

---

Stipulation and Order re Continuance

Pursuant to Rule 78-230 of the local rules a party opposing a motion must file an opposition fourteen days before the hearing. Plaintiffs wish to file an opposition to Defendants' cross-motion for summary judgment as well as the unenumerated 12(b) motion. As per Rule 78-230(c), said opposition to Defendants' motions would be due April 6, 2006, which is the day before the hearing. Moreover, in filing an opposition to the motions, it is necessary for the Plaintiffs to file declarations in response to Defendants' declarations and exhibits. The declarations that Plaintiffs seek to file would include statements from two of the plaintiff-inmates. Although drafts of these declarations have been mailed to these inmates, it is highly unlikely that they will be returned to this office prior to the current March 31, 2006, filing deadline.

Subject to approval of the accompanying Order by the Court, the parties hereby stipulate, through their respective counsel of record, to a two week continuance of the hearing.

1) New hearing date for Plaintiffs' motion for summary judgment

and Defendants' cross-motion for summary judgment and

unenumerated 12(b)(6) motion: April 21, 2006

2) New deadline for filing Plaintiffs' Opposition to

cross-motions: April 7, 2006

It is so stipulated.
